

INTERGEST®
KOREA

THE ART OF
BEING LOCAL
WORLDWIDE

OUR SERVICES

Through our global network, we advise companies focused on exports, assisting them in establishing their own operations in foreign markets. Our services include company formation, market entry strategies and administration.

As a general principle, the initial consultation is free of charge and without obligation. The aim is to find out more about your Malaysia venture. You then decide whether we are the right partner for you.

- Company formation and administration including local directorship
- Accounting and financial reporting
- Import/export and administrative processing
- Management accounting and design of MIS reports
- Controlling, cross-border and consolidated reporting
- Commercial project management
- Cash and credit management
- Recruitment and HR administration
- Payroll services
- Legal and tax advisory, including VAT management
- Statistical trade reporting / Intrastat
- Invoicing, dunning and debt collection
- Support for sales and business development
- Legal advisory
- Employment law support
- License and visa application assistance
- Virtual mailing address / office services

WHO WE ARE

As a global service provider we offer an effective and efficient route to a successful foreign market development.

Our experienced InterGest partners will assist you in over 50 countries, from Canada to New Zealand, where a team of around 750 employees currently provides consulting services to approximately 1,700 branches of international companies.

Christoph Heider, Managing Director of InterGest Korea, is an experienced business leader with a strong track record in Korea, Japan, and Germany. He is the Founder and CEO of 10TEN, advising foreign and Korean companies on Korea-related business. From 2013 to 2023, he served as President of the European Chamber of Commerce in Korea (ECCCK), enhancing its policy advocacy. Previously, he was CFO of Bayer Korea. Christoph holds a Master's in Business Administration and studied Japanese language and culture in Germany and Japan. He is a founding board member of the Heider-Kober Foundation and an Honorary Citizen of Seoul since 2016.

Woryeonggyo Bridge at Andong, South Korea

InterGest Korea is a leading provider of comprehensive accounting, tax and IT solutions in Korea. We serve companies of all sizes by providing operational support through an outsourcing business model. As no two companies are identical, we will provide a customized solution to meet your requirements.

THE ART OF BEING LOCAL IN KOREA

Jeonbuk National University

In addition to our core competencies, at InterGest we will gladly assist in developing a customised solution to meet your business needs, drawing upon our extensive network of external service providers.

This ranges from logistics consulting and risk management, to recruitment of specialists and managers.

International advice – global action. InterGest is your export partner in more than 50 countries.
